'Steel we make

- to obtain the updating, correction and integration of your personal data;
- to oppose, in whole or in part, for legitimate reasons, the processing of the personal data that concerns you, even if pertinent to the reason for which the data was collected;
- to request and to obtain from the Data Controller – in the cases in which the legal basis for processing is either contractual or consensual and is done by automated means – a copy of your personal data in a structured format that can be read by an automated device, including for the purposes of sending this data to another data controller (the so-called right for the personal data to be portable);
- to revoke at any time any consent you may have previously given, limited to the cases in which processing is based on your consent for one or more specific purposes and concerning common personal data (for example, date and place of birth or place of residence), or particular categories of data (for example, data that concerns your racial ethnicity, your political views, your religious convictions, your state of health and your sexual preferences). Processing based on consent and performed up to the point at which you revoke your consent, remains, however, legitimate;
- to lodge a complaint with the Supervisory Authority (which, in Italy, is the Italian Data Protection Authority [*Autorità Garante per la protezione dei dati personali* – www.garanteprivacy.it]).

7) Mandatory or optional nature of providing your personal data

Providing your personal data for the related processing is mandatory for the purposes described in points 1 to 5, above, since this data is needed to fulfil the obligations deriving from the agreed contract and to respect the regulations regarding health, safety and the environment. Any refusal to provide this data, in whole or in part, will make it impossible for this company to execute the agreed contract and to properly carry out all its obligations.

Consent for the purposes described in point 6, above, is optional and you may, therefore, decide to deny, at any time, the use of your data for this sort of processing.
